

# Hello, Hello

The Cowsills

(Would you like some of my tangerine)  
You know I'd never treat you mean  
(Oh no not mean)

Hello, hello  
I like your smile  
Hello, hello  
Shall we talk awhile  
Would you like some of my tangerine  
You know I'd never treat you mean

Never knew how I'd meet you  
Never knew how to greet you  
But when I saw you look that way  
I knew I had to say  
Hello (hello) Hello (hello)  
You've got pretty hair  
Hello, hello  
Can you tell I care  
Would you like some of my tangerine  
You know I'd never treat you mean

Hello, hello  
I like your smile  
Hello, hello  
Shall we talk awhile  
Would you like some of my tangerine  
You know I'd never treat you mean  
Oh no no no  
(You know I'd never treat you mean)
