

The Rain, The Park, And Other Things

The Cowsills

I saw her sitting in the rain
Raindrops falling on her
She didn't seem to care
She sat there and smiled at me

Then I knew (I knew... I knew... I knew... I knew)
She could make me happy
Flowers in her hair
Flowers everywhere

Oh I don't know just why; she simply caught my eye
She seemed so sweet and kind; she crept into my mind

I knew I had to say hello
She smiled up at me
And she took my hand and we walked through the park alone

And I knew (I knew... I knew... I knew... I knew)
She had made me happy
Flowers in her hair
Flowers everywhere

Oh I don't know just why; she simply caught my eye
She seemed so sweet and kind; she crept into my mind

Suddenly, the sun broke through
I turned around she was gone
And all I had left was one little flower in my hand

But I knew (I knew... I knew... I knew... I knew)
She had made me happy
Flowers in her hair
Flowers everywhere

Was she reality or just a dream to me
Her love showed me the way to find a sunny day
