The Rain, The Park, And Other Things

The Cowsills

I saw her sitting in the rain Raindrops falling on her She didn't seem to care She sat there and smiled at me

Then I knew (I knew... I knew... I knew) She could make me happy Flowers in her hair Flowers everywhere

Oh I don't know just why; she simply caught my eye She seemed so sweet and kind; she crept into my mind

I knew I had to say hello She smiled up at me And she took my hand and we walked through the park alone

And I knew (I knew... I knew... I knew) She had made me happy Flowers in her hair Flowers everywhere

Oh I don't know just why; she simply caught my eye She seemed so sweet and kind; she crept into my mind

Suddenly, the sun broke through I turned around she was gone And all I had left was one little flower in my hand

But I knew (I knew... I knew... I knew) She had made me happy Flowers in her hair Flowers everywhere

Was she reality or just a dream to me Her love showed me the way to find a sunny day
