

Dopefiend Boogie

The Cramps

Face down this morning
Dawn of the damned
Bullet in my pocket
My brain was jammed

Dopefiend boogie
Dopefiend boogie
Dopefiend boogie
Alright alright alright

Got the shiverin' ills
Like a snowball in Hell
More and more and more medicine
But I ain't getting well

Dopefiend boogie
Dopefiend boogie
Dopefiend boogie
Alright alright alright

I'm a livin' sickness
At Cinderella's balls
Gonna loose my shoes
Gonna hit the wall

Dopefiend boogie
Dopefiend boogie
Dopefiend boogie
Everynight everynight everynight
