

Elvis fucking Christ

The Cramps

Well, I fell outta bed this mornin'
Saw what the guy on TV said
The big rock awards
Crowned a brand new king
It shoulda been me instead
Don't they know I'm:

Elvis fuckin' Christ
Elvis fuckin' Christ
Chicken pluckin' runamuckin'
Elvis fuckin' Christ

Well I'm the 500 foot woman
I run an evil big black mass
I got two brass globes, you got to admit
My animal aplomb is vast
It's obvious:

Elvis fuckin' Christ
Elvis fuckin' Christ
Bronco buckin' jive'n'shuckin'
Elvis fuckin' Christ

I'm the captain of the cavalry
I'm the queen of outer space
I got a she devil orgy in the twilight zone
Sheer panties of the queen Anne's lace

Elvis fuckin' Christ
Elvis fuckin' Christ
Bad luck'n'mack truckin'
Elvis fuckin' Christ

Well the devil gave us Elvis
Drugs, sex and rock'n'roll
Greenbacks, fuzz and feedback
Demonseed and banshee hole
Frogs fallin' down from Heaven
Thunder under Hell
Trogglodynamite times seven
Cold titty witchin' spell: yeah

Elvis fuckin' Christ
Elvis fuckin' Christ
Chicken pluckin' runamuckin'
Elvis fuckin' Christ

Yeah, you might go to Devry
Beauty school or get a job
Or you might join a devil cult
O' some evil heart throb, like me:

Elvis fuckin' Christ
Elvis fuckin' Christ
Chicken pluckin' goo goo muckin'
Elvis fuckin' Christ
