

Faster Pussycat

The Cramps

If you want wild living fast
and if you want her and you're giving
Your all,
That's because,
Pussycat,
She's living break fast
Pussycat
She's riding high
If you think that you can take her
Well just you try
It's that she doesn't see what's wrong from right,
She's living fast and free
Child of the night
In her life there'll be no time for love
You'll never take her
Make up your mind
You will find
Pussycat
she's living break fast
Pussycat,
She's riding high
If you think that you can take her
Well just you try

It's that she doesn't see
What's wrong from right
She's running fast and free
Child of the night
In her life there'll be no time for love
You'll never take her
Make up your mind
You will find
Pussycat
She's living break fast
Pussycat
She's riding high
If you think that you can take her
Well just you try
Well just you try
