## **Fever**

## The Cramps

No one knows how much I love you
No one knows how much I care
But when you put your arms around me
I get a feeling that's hard to bear

You give me fever, when you kiss me Fever when you hold me tight Fever in the morning Fever all through the night

Sun lights up the day time
Moon lights up the night
I light up when you call my name
Cause I know you're gonna treat me right

You give me fever, when you kiss me Fever when you hold me tight Fever in the morning Fever all through the night

Captain Smith and Pocahontas
Had a very mad affair
When her daddy tried to kill him
She said, "Daddy, oh, don't you dare."

She gives me fever, with his kisses Fever when he holds me tight Fever I'm his missus So Daddy won't you treat him right

Everybody's got the fever That is something we all know Fever isn't such a new thing Fever Started long ago

Romeo loved Juliet
Juliet she felt the same
When he put his arms around her
He said "Julie, baby, you're my flame."

You give me fever, when you kiss me Fever when you hold me tight Fever in the morning Fever all through the night

Well, now you've listened to my story Here's the point that I have made The Cramps were born to give you fever Be it Fahrenheit or centigrade

We give you fever, when we rock you Fever 'till you live and learn Fever 'till you sizzle

But What a lovely way to burn What a lovely way to burn What a lovely way to burn

What a lovely way to burn What a lovely way to burn What a lovely way to burn
