

Goo Goo Muck

The Cramps

When the sun goes down and the moon comes up
I turn into a teenage goo goo muck,
I cruise through the city and I roam the streets
Looking for something that is nice to eat
You better duck when I show up
The goo goo muck

I'm the night headhunter looking for some head
With a way out body underneath that head
Well I'll get you baby with a little luck
Cuz I'm a teenage tiger and a goo goo muck
You better duck when I show up
The goo goo muck

The city is a jungle and I'm a beast
I'm a teenage tiger looking for a feast
O want the most but I'll take the least
Cuz I'm a goo goo muck tiger and a teenage beast
You better duck when I show up
The goo goo muck
