

Hang Up

The Cramps

Yeah
Well, baby you know out of you
How you do it me wrong
Why you gotta be so mean ?
Why do you gotta pay ?
Ooooh
I hang up like you
But I can't wick it alone
I come, everything goes wrong
Why you wanna put me down ?
Fuck around all over town ?
I hang up like you

Well, baby you know out of you
How you do it me wrong
Why you gotta be so mean ?
Why do you always gotta pay ?
I hang up as what you are
I hang up
I hang up
Why ? Ooooh
