

I'm Customized

The Cramps

Like a chance meeting of an umbrella
And a sewing machine in a black Impala
Mixin' metalflake with a jet propeller

This monotonous flywheel is the junk of life
This desire magnito... this is not a pipe
Prob'bly Picasso painted this pinstripes

I'm customized... like a crazy whim
I'm customized... I can do the swim
I'm customized... like a mag rim
I'm customized... with the deluxe trim
I'm customized... not your average Jim

Too much sex fizz in the love gasoline
One big wreckage from Bedictine
Who done wrought this package. I'll bet Einstein

I'm customized... I'm moon equipped
I'm customized... got a hot tip
I'm customized... like a buggy whip
I'm customized... like some bad trip
I'm customized... I'm a rocket ship

Rocket ship
Flames, baby, flames
Burning
Hot pants
Candy apple hot pants
Ooh wee it's me
I'm customized...
