

Papa Satan Sang Louie

The Cramps

Papa Satan sang Louie
Louie Louie
Papa Satan sang Louie
Louie Louie
I used to be a human
But I don't know why

Well, I fell in love
With a dead pig's eye
Lord up above
Oowee Louie pie

Mama Satan sat down on it
In a skin tight skirt
Squirmin' 'round doggone
It's wild the way she works

Papa Satan sang Louie
Louie Louie
Papa Satan sang Louie
Louie Louie
I used to be a human
But I don't know why
