

The Hot Pearl Snatch

The Cramps

Baby you're a pearl but you're such a tease.
That thing a danglin' there's brought me to my knees.
You parade it 'round town so everybody knows.
Oh Oh I'm-a-gonna steal the show.
Gonna get that thing baby that's a fact.

Baby I'm just talkin' 'bout that hot pearl snatch.
SSo temptin' baby such a pretty box.
All fancy wrappin's and a bow on top.
I try not to think about it but it's hard.
Ya always got it out layin' 'round the yard.
Too hot to handle and a crime at that.

Baby I'm-a-talkin' 'bout that hot pearl snatch.
Gonna get my hatchet hack it off and snatch it.
Jerk it right off o'you. I gotta get-a-way
...baby you can't catch it.
Do a swan dive on that jewel.
Put it in my satchel then I'll lay a patch.
Aw baby I'm just talkin' 'bout that hot pearl snatch
