

Wrong Way Ticket

The Cramps

Wrong way ticket now
Do what the law don't allow
One way ticket now
Goin' way way out
Outta sight tonight
Alright alright alright
Wrong way ticket now
Get high somehow

Follow in my wake
Ain't got no brake
Hopped up renegade
Dump that masquerade
Full speed ahead tonight
Alright alright alright
Got a wardance on
C'mon c'mon c'mon

One way ticket Jack
Never comin' back
One track pitch black
Hotrod heart attack
Alright alright alright
Gone gone gone tonight
Alright alright alright
Alright alright alright c'mon
C'mon
C'mon
