

## Away

The Cranberries

Turn Away, Turn Away  
From Me, From Me  
And I pray, yes I pray  
For thee, for thee, for thee-ee-ee

Another World  
Wrapped up inside another place  
And I hope, and I pray  
That the pain goes away,  
Yes I pray, Yes I pray, for thee-ee-e> Turn Away, Turn Away  
From Me, From Me  
And I pray, yes I pray  
For thee, for thee, for thee-ee-ee

Turn Away, Turn Away  
From Me, From Me  
And I pray, yes I pray  
For thee, for thee, for thee
