

Carry On

The Cranberries

I didn't understand the things you're going through
I never understood, I really never knew

Carry on, carry on
The sun will always shine
Carry on, carry on
We'll have a glass of wine or cigarette

Take destiny by the hand and lead it far away
Take it to another land, we will all decay

Carry on, carry on
The sun will always shine
Carry on, carry on
We'll have a glass of wine or cigarette
