

Empty

The Cranberries

Something has left my life
and i don't know where it went to (oh oh ooh)
Somebody caused me strife
and it's not what i was seeking
Didn't you see me, didn't you hear me
Didn't you see me standing there (oh oh ooh)
Why did you turn off the lights
Did you know that i was sleeping?

Say a prayer for me (eeeh)
Help me to feel the strenght i did
my identity has it been taken
is my heart breaking on me (eeh) all my plans
fell through my hands, they fell trough my hands
Only he (eeh) all my dreams
it suddenly seems, it suddenly seems
