

Fire & Soul

The Cranberries

How to be unfaithful
How to be disgraceful.

To lose yourself
To lose control
Fall off the fence
Fire and soul.

To lose yourself
To lose control
Fall off the fence
Where is your fire and soul?

I'll wait for you forever
I'll wait for you forever
I'll take you to my grave.

Now in the beginning
How the room was spinning.

Hold on to me
Hold on to you
Hold on to us
Is what we'll do.

I'll wait for you forever
I'll wait for you forever
I'll take you to my grave... grave...

Ooh oooh oh

For you forever
I'll wait for you forever
I'll wait for you forever
I'll wait for you forever.

To lose yourself
To lose control
Fall off the fence
Fire & soul.

To lose yourself
To lose control
Fall off the fence
Where is your fire & soul?
