

# Forever Yellow Skies

The Cranberries

Yellow skies, I can see with yellow skies.  
See you again,  
I see you again.  
In my dreams. (4x)

Morning light (ah), I remember morning light (ah).  
Outside my door (outside my door)  
I see you no more (see you no more.)  
In my dreams. (4x)

Forever, forever I'll be, forever holding you.  
Forever, forever I'll be, forever holding you.  
Responsible. (4x)

Black and white, it's become so black and white.  
So insecure,  
You're so insecure.  
That's what you are. (4x)

Forever, forever I'll be, forever holding you.  
Forever, forever I'll be, forever holding you.  
Responsible. (4x)

Ah ouh, ah ouh...

Forever, forever I'll be, forever holding you.  
Forever, forever I'll be, forever holding you.  
Responsible. (4x)
