

# Linger

The Cranberries

if you  
if you could return  
don't let it burn don't let it fade  
i'm sure i won't be rude  
but it's just your attitude  
it's tearing me apart it's ruining everyday.

I swore, I swore I would be true  
but honey so did you  
so why were you holding her hand  
is that the way we stand  
were you lying all the time  
was it just a game to you

But I miss you  
you know I'm such a fool for you  
you got me wrapped around your finger  
do you have to let it linger  
do you have to  
do you have to  
do you have to let it linger

Oh, I thought I loved you  
I thought that nothing could go wrong  
but I was wrong  
I was wrong

If you, if you could get by  
trying not to lie  
things wouldn't be so confused  
and I wouldn't feel so used  
but you always ruin you  
I just wanna be with you

and I miss you  
you know I'm such a fool for you  
you got me wrapped around your finger  
do you have to let it linger  
do you have to  
do you have to  
do you have to let it linger

and I miss you  
you know I'm such a fool for you  
you got me wrapped around your finger  
do you have to let it linger  
do you have to  
do you have to  
do you have to let it linger

you know I'm such a fool for you  
you got me wrapped around your finger  
do you have to let it linger  
do you have to  
do you have to  
do you have to let it linger
