

Losing My Mind

The Cranberries

Come into bed, switch off the light
Close your eyes, sleep tonight
Think of all the things we did today
You touch me then, we fall apart
I lose control, the hardest part
I wish that it could be another way
Hu-u-a-a

Losing, I'm losing, I'm losing my mi-ind
Ruining, I'm ruining, you're ruining my mi-ind

You cut me deep like broken glass
I wonder when this time will pass
Or will I fall asunder everyday?
Sitting here beside the fire,
The flames they grow just like desire
Will I fall asunder everyday?
Hu-u-a-a

Losing, I'm losing, I'm losing my mi-ind
Ruining, I'm ruining, you're ruining my mi-ind

Ha-a, la-a
La-a, ha-a
La-a-a-a-a, la-a, la-a
La-a-a-a-a, la-a, la-a
