

Not Sorry

The Cranberries

Keep on looking through the window again
But I'm not sorry if I do insult you
I'm sad not sorry 'bout the way that things went
And you'll be sorry and I'll be forsaken thee
I swore I'd never feel like this again
But you're so selfish you don't see what you're doing
to me
I keep on looking through the window again
No, I'm not sorry if I insult you
No, I'm not sorry if I insult you

You told me lies
(And I cried, and I cried, and I cried
'Cos you lied, lied and
(I cried, yes I cried, and I cried)
(I cry, I cry, I cry) again
I realize as
(he sighed and, he sighed and)
'Cos you lied, lied and
(I cried, yes I cried, yes)
(I try, I try, I try) again

Keep on looking through the window again
But I'm not sorry if I do insult you
I'm sad not sorry 'bout the way that things went
And you'll be sorry and I'll be forsaken thee
I swore I'd never feel like this again
But you're so selfish you don't see what you're doing to me
I keep on looking through the window again
No I'm not sorry if I do detest you
No I'm not sorry if I do detest you

R:

Keep on looking through the window again
Keep on looking through the window again
