When you're gone

Hold on to love

The Cranberries

That is what I do Now that I've found you And from above Everything's stinking They're not around you And in the night I could be helpless I could be lonely, sleeping without you And in the day, everything's complex There's nothing simple when I'm not around you

But I miss you when you're gone That is what I do Hey baby It's hard to carry on That is what I knew Hey baby..

Hold on to my hands I feel I'm sinking Sinking without you And to my mind Everything's stinking Stinking without you And in the night I could be helpless I could be lonely, sleeping without you And in the day, everything's complex There's nothing simple When I'm not around you

And I miss you when you're gone That is what I do Hey baby And it's hard to carry on That is what I do
