

To write these words
To praise this world
To take these chords... I need you

Ah, to sing this song
I bring you on
Then I sing along with you, ah

Me. I love you till I die and born again
We meet again, boy and a girl, the same again

I hear these notes
I feel these tones
They're flesh and bone... I follow you

I sing this song
I bring you on
Then I sing along with you, ah

Me. I love you till I die and born again
Then we meet again, boy and a girl, the same again

(Hello, ha, make me
Ha, hello, ooh, he-e-ey)

Me. I love you till I die and born again
Then we meet again, boy and a girl, the same again
