## The Crash

To write these words  
To praise this world  
To take these chords... I need you

Ah, to sing this song  
I bring you on  
Then I sing along with you, ah

Me. I love you till I die and born again  
We meet again, boy and a girl, the same again

I hear these notes  
I feel these tones  
They're flesh and bone... I follow you

I sing this song  
I bring you on  
Then I sing along with you, ah

Me. I love you till I die and born again  
Then we meet again, boy and a girl, the same again

(Hello, ha, make me  
Ha, hello, ooh, he-e-ey)

Me. I love you till I die and born again  
Then we meet again, boy and a girl, the same again
