

# You Were Always The One

The Crips

I get the feeling they got you believing  
It's better to be loved than left out  
But it's like you told me  
It's nothing to do with acceptance  
It's all about escaping

Then you heard that there's always someone  
Forget the wrong one  
Disregard your past  
But she came with feelings too complex to be amusing  
You're gonna get in trouble with that

You're gonna get in trouble with that  
You're gonna struggle with that

And I know I said I needed some time alone  
And I know I never seem to pick up the phone  
And though you will see me with someone else  
You were always the one

And I know I said I needed some time alone  
And I know I never seem to pick up the phone  
And though you will see me with someone else  
Yeah, you were always the one

I get the feeling they got you believing  
It's better to be loved than left out  
But yeah, like you told me  
It's nothing to do with acceptance  
It's all about escaping

I sentenced myself now a long long time ago  
And I hope to be free  
But I guess that you've heard that before  
So will you try and look surprised  
When you find out I lied?

And I know I said I needed some time alone  
And I know I never seem to pick up the phone  
And though you will see me with someone else  
You were always the one

And I know I said I needed some time alone  
And I know I never seem to pick up the phone  
And though you will see me with someone else  
You were always the one
