

Heaven for Everyone

The Cross

While you are imagining, imagine for instance,
The sights that you can take advantage of
Look at the beautiful cloud formations below you and
above you
This could be heaven
Think of the colour of the sun as it shines off the
clouds
In these days, (or see the stars), in these days, in these
days of cool reflection
You come to me and everything seems alright
In these days of cold affections
You sit by me and everything's fine
This could be heaven for everyone
This world could be fed, this world could be fun
This could be heaven for everyone
This world could be free, this world could be one,
In this world of cool deception
Just your smile can smooth my ride
These troubled days of cruel rejection
You come to me, soothe my troubled mind
Yeah, this could be heaven for everyone
This world could be fed, this world could be fun
This should be love for everyone, yeah
This world could be fed, this world could be one
We should bring love to our daughters and sons
Love, love, love, love
This could be heaven for everyone
(So take a seat and sit by my side a while)
(You know I like your style)
This could be heaven for everyone
(So what can we do to clean up this mess)
(Just feel so helpless)
This could be heaven for everyone
(So lift up your voice at least you'll have cared)
This could be heaven for everyone
Listen. What people do to other souls
They take their lives, destroy their goals
Their basic pride and dignity
Is stripped and torn and shown no pity
When this should be heaven for everyone
This could be heaven, could be heaven for
everyone
And that is the end of this section.
