Heaven for Everyone

The Cross

While you are imagining, imagine for instance, The sights that you can take advantage of Look at the beautiful cloud formations below you and above you This could be heaven Think of the colour of the sun as it shines off the clouds In these days, (or see the stars), in these days, in these days of cool reflection You come to me and everything seems alright In these days of cold affections You sit by me and everything's fine This could be heaven for everyone This world could be fed, this world could be fun This could be heaven for everyone This world could be free, this world could be one, In this world of cool deception Just your smile can smooth my ride These troubled days of cruel rejection You come to me, soothe my troubled mind Yeah, this could be heaven for everyone This world could be fed, this world could be fun This should be love for everyone, yeah This world could be fed, this world could be one We should bring love to our daughters and sons Love, love, love, love This could be heaven for everyone (So take a seat and sit by my side a while) (You know I like your style) This could be heaven for everyone (So what can we do to clean up this mess) (Just feel so helpless) This could be heaven for everyone (So lift up your voice at least you'll have cared) This could be heaven for everyone Listen. What people do to other souls They take their lives, destroy their goals Their basic pride and dignity Is stripped and torn and shown no pity When this should be heaven for everyone This could be heaven, could be heaven for everyone And that is the end of this section.
