

Millionaire

The Cross

Trash my guitar - got a lot to spare
Well I can do what I want - it just don't seem fair
Let your fingers do the walking
What you hear is - money talking

So love me now
Love me here
Love me good honey
I'm a millionaire

I got swimming pool
You know it keeps me cool
Got a car that's flash
I gotta rash from cash

Let your fingers do the walking
What you hear is - money talking

So love me now
Love me here
Love me good honey
I'm a millionaire

I think I can safely say
I'm on my way to my first million"

"I say"

Hey I'm famous dude and I just exude
I gotta Cadillac - a bowling alley in the back
Weren't you thrilled to bits with my Greatest Hits
Ain't I a loveable guy

So love me now
Love me here
Love me good honey
I'm a millionaire

"I'm rich - I am stinking ruddy well rich!"

He's lovely geezer na na na na na
"I've no small change"
"Well you'd better go and get some hadn't you? old garcon"
He's got lots of money na na na na na
Have to stop now guys! You can't afford me anymore
