

Drugged Unholy

The Crown

Don't you try to follow me - 'Cause where I go
No one can ever last - Everlast
I won't turn back - I won't burn out
Won't fade away - So get down on your knees
On your knees
Take a breath and die away
There's a gate to hell in every dream
And you don't know that in the end
All roads lead to that same dead end street
Dead end street
If you wanna taste some death
Here's a trip to the other side
Driven - Drugged unholy forever
Addicted to the sins of the devil
Drugged unholy - I am of cancer
Take my mind - Kill every answer
Preacher won't you just shut up
- 'Cause I don't give a fuck
No I don't care - I don't care
To you who try to put me out
Just watch me now
I'll make you feel my hell - Feel my hell
You won't believe what your soul can buy
Just get deep down and make the deal
In dreams - In drugs - In death and in heaven
Addicted to the sins of the devil
In dreams - In drugs - In death and in heaven
All is gone - Kill every answer
Are you ready - Do you dare - To take that step
Cross that line - Leave it all behind
I am ready - I don't care - So close my eyes
Blow my mind - Bless my soul tonight
Feel the darkness kicking in
Sweat it out that goddamn pain!
Bite my lip and breath the blood
Sucked through the teeth
I'll spit it back to you - Back to you
Pushed too hard for much too long - The night is hard
Cold steel rains down the street - Down the street
Wasted - Vicious - Gone for sure
But I survive I am still alive
Upon a world without no hope - My body walks My
mind goes on and on

On and on, on and on, on and on
Beyond the pain - Beyond the grave
Beyond the law - Beyond it all
Driven - Drugged unholy forever
Addicted to the sins of the devil
Drugged unholy - I am of cancer
Take my mind - Kill every answer
In dreams - In drugs - In death and in heaven
Addicted to the sins of the devil
In dreams - In drugs - In death and in heaven
All is gone - Kill every answer
Drugged unholy - Wasted and vicious
So fucking gone now - This is all madness
