

## Morningstar Rising

### The Crown

Dragged after the chariots In chains Of secret ways of fate Thr  
ough desert sands  
And burning waste I'll beat my chains into a sword Then from th  
e shadow  
I shall come forth With light and flame Under mist of stars Rip  
the night Reveal myself  
No longer hid in darkened spells Rip the veil Reveal my crown N  
o longer hid in darkened Shroud  
This could be the kingdom of heaven This could be the kingdom o  
f you  
This could the kingdom of heaven Come true
