

Morningstar Rising

The Crown

Dragged after the chariots In chains Of secret ways of fate Throug
h desert sands

And burning waste I'll beat my chains into a sword Then from th
e shadow

I shall come forth With light and flame Under mist of stars Rip
the night Reveal myself

No longer hid in darkened spells Rip the veil Reveal my crown N
o longer hid in darkened Shroud

This could be the kingdom of heaven This could be the kingdom o
f you

This could the kingdom of heaven Come true

Dragged after the chariots In chains Of secret ways of fate Throug
h desert sands

And burning waste I'll beat my chains into a sword

Then from the shadow With light and flame Under mist of stars

Rip the night Reveal myself No longer hid in darkened spells Ri
