

# Natashead Overdrive

The Crown

When the stars in the sky Shine in my eyes Spin all around and  
write "Oh yeah!" Like a sun rising  
Deep in my soul Like your love - Like Rock'n'Roll I'm a Natashe  
ad - Burning in the darkness  
Natashead - Like the yin in the yang Natashead - Gonna explode  
now Overdrive - And flood the darkness in light  
Don't have to die to see the light I'm getting heaven down here  
inside DON't need no law to know what to do  
I'm raising hell up here tonight I'm a Natashead - Burning in t  
he darkness Natashead - Like the yin in the yang  
Natashead - GONna explode now Overdrive - And flood the darknes  
s in light  
I'm sick of the lies I'm sick of it all I'm being myself Born t  
o be free

I'm sick of the lies I'm sick of it all I'm being myself Born t  
o be free  
Rainbow Satan Overflow!  
I've been lost and I've been blind Now I'm just out of my mind  
I've been good and I've been mean  
I've been looking for a god-machine For a Dixie Narco - Standin  
g in the corner Dixie Narco - Standing  
the street Dixie Narco - Glowing in the darkness Dixie Narco -  
Glowing in the heat  
I'm a Natashead - Burning in the darkness Natashead - Like the  
yin in the yang Natashead - Gonna explode now  
Overdrive - And flood the darkness in light
