

Turn your head up  
It don't feel good  
Turn your head up  
Turn your head up  
It don't feel good  
Turn your head up  
Think about that good  
things that I did to  
you  
And think about the  
bad things that I  
didn't do  
That I didn't do  
That I didn't do  
That I didn't do

Turn your head up  
It don't feel good  
Turn your head up  
You don't wanna take it  
Turn your head up  
It don't feel good  
Turn your head up  
You don't wanna take it  
Turn your head up  
It don't feel good  
Turn your head up  
You don't wanna take it

Think about that good  
things that I did to  
you  
And think about the  
bad things that I  
didn't do  
That I didn't do  
That I didn't do  
That I didn't do  
Turn your head up  
You don't wanna take it

Turn your head up  
It don't feel good  
Turn your head up  
You don't wanna take it

Turn your head up
