

Name of the Game

The Crystal Method

Listen all you mutha fuckas

That's the name of the game

Yo

Top of the crown

Rape the queen

The fatal mistake in your cradle

Can't shake the dreams of

Fire inside of your phonograph

Battered with gas

And give you room to breathe

Through an adequate mask

Everybody in front

Let me see ya pumpin' ya fists

If you up in the back room

When you rockin' with this

Come on

Keepin' ya speaker knockin'

Jumpin' bangin' bumpin' blazin'

Hot

Callin' all freaks (all freaks)

Callin' all freaks now

Yo yo

Callin' all freaks (all freaks)

Callin' all freaks now

That's right

Callin' all freaks

Get em up in the back row

Get em up in the back row

I said get em up in the back row

Mutha fucka

Callin' all
