The Crystal Method

here it comes
here it come

you're unaware
you keep moving
you're unaware
you keep moving

ten nervous miles back
you're unaware
ten nervous miles back
you're unaware
there you go

you're unaware
you keep moving
you're unaware
you keep moving

ten nervous miles back
you're unaware
ten nervous miles back
you're unaware
you keep moving
you keep moving

there you go

you're too great for my eyes
you're too great for my eyes
such a nervous mistake of mine
you're too great for my eyes
such a nervous mistake of mine
you're too great for my eyes
such a nervous mistake of mine
you're too great for my eyes

ten nervous miles back
you're unaware
ten nervous miles back
ten nervous miles back
ten nervous miles back
you keep moving

here it come

there you go
