## **Ten Miles Back**

## **The Crystal Method**

here it comes here it come here it come you're unaware you keep moving you're unaware you keep moving ten nervous miles back you're unaware ten nervous miles back you're unaware there you go you're unaware you keep moving you're unaware you keep moving ten nervous miles back you're unaware ten nervous miles back you're unaware you keep moving you keep moving there you go you're too great for my eyes you're too great for my eyes such a nervous mistake of mine you're too great for my eyes such a nervous mistake of mine you're too great for my eyes such a nervous mistake of mine you're too great for my eyes ten nervous miles back you're unaware ten nervous miles back ten nervous miles back ten nervous miles back you keep moving here it come there you go
