

Then he kissed me

The Crystals

Well he walked up to me
And he asked me if I wanted to dance
He looked kinda nice
And so I said I might take a chance
When he danced he held me tight
And when he walked me home that night
All the stars were shining bright
And then he kissed me

Each time I saw him
I couldn't wait to see him again
I wanted to let him know
That he was more than a friend
I didn't know just what to do
So I whispered I love you
And he said that he loved me too
And then he kissed me

He kissed me in a way
That I've never been kissed before
He kissed me in a way
That I wanna be kissed forever more

I knew that he was mine
So I gave him all the love that I had
And one day he took me home
To meet his mom and his dad
Then he asked me to be his bride
And always be right by his side
I felt so happy I almost cried
And then he kissed me

Then he asked me to be his bride
And always be right by his side
I felt so happy I almost cried
And then he kissed me
And then he kissed me
And then he kissed me
