

Well alright

Earth mother for you  
I see the world all drippin' red, owl, that's right  
Earth mother for you  
I see the world all drippin' red, whoa  
State of confusion exists only in your head, whoa-whoa, yeah

Earth mother for you, yeah  
Earth mother for you, yeah  
Earth mother for you, woo

Earth mother for you, yeah  
Earth mother for you, yeah  
Earth mother for you

Yeah, baby, baby

Now it's time for justice  
In the scene of discontent, owe baby  
A time for justice, that's justice  
In the scene of discontent, yeah  
State of confusion exists only in your head

Earth mother for you, yeah  
Earth mother for you, yeah  
Earth mother for you, owe

Earth mother for you now  
Earth mother for you now  
Earth mother for  
Earth mother for  
Earth mother for you, woo

Now listen  
What do you want?  
What do you want?  
What do you?  
What do you want now?  
Think about it  
What do you want?  
What do you want?  
What do you?  
What do you want now?

Earth mother for you...

Funky earth mofo, mofo  
Funky, funky mofo

Earth mother for you
