

For the Animals

The Cult

Who do you think it is for?
For the animals
What you're tryin to prove?
Till the unchained
Who you gonna burn?
The unatricated
It's not for you

Who you're tryin screw?
All the animals
Where you gonna go?
To the unchained
What you're tryin prove?
To the participated
It's not for you

Dog shit is you're crawling him
Dark prison you leave me in
You're losing millions
Millions of zest
Just pitch your mantra to go to hell

I, I came to you
With love in my heart
And I, I came to you
With love in my heart

Who do you think it is for?
For the animals
What you're tryin to prove?
To the untamed
Who you gonna burn?
The unattricated
It's not for you

Dog shit is you're crawling him
A dark prison you're living hell
You're losing millions
Millions of zest
Just pitch your mantra to go to hell

I, I came to you
With love in my heart
And I, I came to you
With love in my heart

For all of the children
Staring down the vow of a god

For the animals
For the unchained
The unattracticated
It's not for you

I, I came to you
With love in my heart
And I, I came to you

With love in my heart
