

Yeah it's a big bright beautiful world
Just the other side of the door
Six billion beautiful faces
But I saw them all before...

No this is not about running out on you
Not a case of right or wrong
It's only that it's over and done for me
It's already been and gone

And I don't want another go round - I don't want to start again
No I don't want another go round - I want this to be the end
I want this to be the end - I don't want to start again
I want this to be the last thing we do
It for me and you...

For all my dreams came true
Yeah I know I should care if you come with me
Yeah and I should care if you go
Really should care about your love or your hate of me
Yeah I should care...but I don't

And it's not about giving up on you
It's not a case of do or die
It's simply that it's over and out for me
There's no more room inside

And I don't want another run around - I don't want to start again
No I don't want another run around - I want this to be the end
I want this to be the end - I don't want to start again
I want this to be the last thing we do
It for me and you...

Yeah it's a big bright beautiful world out there
Just the other side of this door
Six billion beautiful faces await
But I saw it all before...

No this is not about running out on you
Not a case of right or wrong
It's only that it's over and done for me
It's already been and gone

And I don't want another go around - I don't want to start again
No I don't want another go around - I want this to be the end
I want this to be the end - I don't want to start again
I want this to be the last thing we do - this to be it for me and you
This to be the last we go through
This to be the end
For all my dreams came true
