

## Close to Me

The Cure

I've waited hours for this,  
I've made myself so sick  
I wish I'd stayed asleep today,  
I never thought this day would end  
I never thought tonight could ever be  
This close to me

Just try to see in the dark,  
Just try to make it work,  
To feel the fear before you're here  
I make the shapes come much too close,  
I pull my eyes out,  
Hold my breath,  
And wait until I shake

But if I had your faith,  
Then I could make it safe and clean  
If only I was sure,  
That my head on the door was a dream

I've waited hours for this,  
I've made myself so sick,  
I wish I'd stayed asleep today  
I never thought this day would end,  
I never thought tonight could ever be  
This close to me

But if I had your face,  
Then I could make it safe and clean  
If only I was sure,  
That my head on the door,  
Was a dream
