Just Say Yes

Say this is it Don't say maybe Don't say no Say this is it Don't say hold on Don't say slow Say this is it Don't say next time Don't say when Say this is it Don't say later No, don't say then Just say yes! Do it now! Let yourself go! Just leap! Don't look! Or you'll never know If you love it You might really love it If you love it You might really love it! Oh come on and love it! Yeah, this is it Don't be cautious Don't think twice This is it Don't play it safe Don't put on ice Yeah, this is it Don't chew it over No don't kick it around This is it Don't wait and see Don't try to work it out Just say yes! Do it now! Let yourself go! Just leap! Don't look! Or you'll never know... If you love it You might really love it! So don't tell me It could all go wrong No don't tell me It could all be a mess Oh don't tell me It could all be a waste of time Just say oui! Si! Sim! Da! Ja! Yow! Igen! Kylla! Just say yes!
