The Cure

Sometime it seems  
I stopped being myself  
And without a word  
Turned into somebody else  
Full of wishes wants dreams  
And desires  
For a life  
Of conceit and deceit  
And repeat and rewrite  
Not sure who I was  
Before this me and I changed  
But I know this me now  
Is not really the same...

Friends are as strangers  
And strangers as friends  
And I feel like I'm wired in a why  
Yeah my friends are as strangers  
And strangers as friends  
And I feel like I'm lost in a lie

And every day my world gets slower  
And colder and smaller  
And older and lower  
And every day  
My treat gets closer to trick  
Yeah every day my world gets slower  
And colder and smaller  
And older and lower

And I'm tired of being alone with myself  
And I'm tired of being with anyone else  
Yeah I'm tired...  
Like I'm sick

None of my favourite things  
Are quite right  
To the mirror man  
Screaming at me  
In the spite of another  
False start  
Dirty worn out and used  
Up and down  
To the ground  
Disavowed  
So confused  
All made up in the belief  
That me is the same  
As the eyes in the glass  
But I see my eyes change...

Friends are as strangers  
And strangers as friends  
And I feel like I'm wired in a why  
Yeah my friends are as strangers  
And strangers as friends  
And I feel like I'm lost in a lie

And every night my world gets quicker  
And lighter and shorter  
And tighter and slicker  
And every night  
My truth gets closer to dare  
Yeah every night my world gets quicker  
And lighter and shorter  
And tighter and slicker

And I'm sick of being alone with myself  
And I'm sick of being with anyone else  
Yeah I'm sick of being alone with myself  
And I'm sick of being with anyone else

Yeah I'm sick...  
Like I'm tired?

Like I'm scared...
