

# The End of the World

The Cure

Go if you want to  
I never tried to stop you  
Know there's a reason  
For all of this you're feeling  
Love its not my call  
You couldn't ever love me more  
You couldn't love me more  
You couldn't love

Me I don't show much  
Its not that hard to hide you  
See in a moment  
I can't remember how to  
Be all you wanted  
I couldn't ever love you more  
I couldn't love you more  
I couldn't love  
You want me to cry and play my part  
I want you to sigh and fall apart  
We want this like everyone else

Stay if you want to  
I always wait to hear you  
Say there's a last kiss  
For all the times you run this  
Way its not my fault  
You couldn't ever love me more  
You couldn't love me more  
You couldn't love

Love me more  
Couldn't ever love me more  
I couldn't love you more  
I couldn't love

You want me to lie not break your heart  
I want you to fly not stop and start  
We want us like everything else

Maybe we didn't understand  
Not just a boy and a girl  
Its just the end of the  
end of the world

Me i don't say much  
Its far too hard to make you  
See in a moment  
I still forget just how to  
Be all you wanted  
I couldn't ever love you more  
I couldn't love you more (4x)
