

## The Kiss

## The Cure

Kiss me kiss me kiss me  
Your tongue is like poison  
So swollen it fills up my mouth

Love me love me love me  
You nail me to the floor  
And push my guts all inside out

Get it out get it out get it out  
Get your fucking voice  
Out of my head

I never wanted this  
I never wanted any of this  
I wish you were dead  
I wish you were dead

I never wanted any of this  
I wish you were dead  
Dead  
Dead  
Dead
