## The Cure

You look like you could do with a friend she said  
You look like you could use a hand  
Someone to make you smile she said  
Someone who can understand  
Share your trouble  
Comfort you  
Hold you close  
And I can do all of these  
I think you need me here with you  
You look like you do with a sister she said  
You look like you need a girl to call your own

Like fabulous! fabulous!  
Call me fabulous!  
And rubbing her hands so slow  
You stare at me all strange she said  
Are you hungry for more?  
I've had enough I said  
Please leave me alone  
Please go

It doesn't touch me at all  
It doesn't touch me at all

You know that you could do with a friend she said  
You know that you could use a word  
Like feel or follow or fuck she said  
And laughing away as she turned  
You've everything but no-one  
Like the last man on earth  
And when I die I said  
I'll leave you it all  
Door closes  
Leaves me cold

It doesn't touch me at all  
It doesn't touch me at all

You really do need a sister she said  
You really do need a girl to call your own

Like wonderful! wonderful!  
Call me wonderful!  
And running her hands so slow  
You stare at me all strange she said  
Are you hungry for more?  
I've had enough I said  
Please leave me alone  
Please go  
Please go
