

# Out of My Head

The D4

Getting out! (3x)

Get tight, Getting loaded  
Walk right, on over  
Turn up, Stay late  
Time to nail me another mistake  
Destroy, Displace  
Outside of the human space  
I need, some action  
I gotta get myself some satisfaction

Hey now! Hey now!  
I gotta find a way to get out!  
Hey now! Hey now!  
Gotta get a ticket out!  
Hey now hey now  
Outta my head  
Hey now hey now  
Outta my head!

Pick up, Warp speed  
Get a hold of the things I need  
No calls, No show  
No rain no place to go  
Magazine, fade out  
No time like, right now  
Just one, solution  
Yeah  
I've gotta get things moving

Out of my head (3x)

Taken way to much  
And im cracking up  
This place self destroyed  
Defaced, paranoid

I'm going out of head! (4x)
