

Stops Me Cold

The D4

Alone in the Dark
I've been making my plans
Don't think you understand
The way I feel about you.

I know you don't know me
But I've been watching you now for two years
I got something you need to hear.

Walk down your street
Stand in your front yard
Root through your garbage
To find something of you that I can keep.

Yeah, the way that you look
Stops me cold.

Climb through your window

Gonna creep up your stairs
I can smell where you sleep
Down the end of the hall.

And I'm waiting
I'll wait for you
I don't know what I'm gonna do
When I get a hold of you.

Yeah, the way that you look
Stops me cold
Tears at my soul
Yeah, the way that you look
Stops me cold
Tears at my soul
I must have control
The way that you look
Stops me cold.
