

Aim to Please

The Damned

The tighter the rope
The better beauty seems
The harder the fall
The louder beauty screams
The lick of the whip
And the eye of the beast
Oh, the shorter the skirt
Well, the higher the fees

True devotion
False emotion
This will hurt you more than it's gonna hurt me
Cos I aim to please

The bigger the pain
The smaller the shame
Ah, the deeper the wound
All the better to blame
Ah yeah, the sicker the dreams
For the call of the game
The guilt and release
Are the ball and chain

True devotion
False emotion
This will hurt you more than it's gonna hurt me
Cos I aim to please

Yeah, the thrill of the chase
And the burn of the knees
Buckle me down
Cos I aim to please

I'm morally bankrupt, overdrawn (4x)
I'm overdrawn
