Every night I'm there I'm always there She knows I'm there and heaven knows I hope she goes I find it hard to realize That love was in her eyes It's dying now She knows I'm crying now And every night I'm there I break my heart to please Eloise Eloise You know, I'm on my knees, yeah I said, please You're all I want, so hear my prayer My prayer My Eloise Is like the stars that please the night The sun that makes the day That lights the way And when that star goes by I'll hold it in my hands and cry Her love was mine You know my sun will shine And every night I'm there I break my heart to please Eloise Eloise You're all I want You've got to hear my prayer My prayer My Eloise I'd love to please her I'd like to care But she's not there And when I find you I'd be so kind Want to stay I know you'd stay And as the days grow old The nights grow cold I wanna hold her near to me You know, she's dear to me And only time will tell And take away this lonely hell I'm on my knees But to my Eloise And every night I'm there I break my heart to please Eloise My Eloise You are my life so hear my prayer You are the prize, I know you're there I know you're there You're all I want, you've got to hear my prayer Yeah, yeah, yeah

You're all I need but you're not there

Oh no, you're not there, no, no, no, no
Yeah, yeah, yeah, yeah
My Eloise
Oh, got to please her
Oh, Eloise
My Eloise, oh, my Eloise
Don't lie to me
I said, no, no, no, no
My Eloise, my Eloise
You've got to
[Incomprehensible]
